Full payment should be made within 7 days from receiving the request for payment to confirm the place. If payment is not received on time, the application will be canceled.

4 Cancellations and refunds

Should you withdraw from participation in the workshop up to two weeks before it takes place, half of the tuition fee will be refunded. After this limit, no refund can be made.

The organizer may cancel the workshop in case of serious constraints. In such an unlikely event, a full refund of the paid fee will be made.

5 Requirements

The workshop is designed for photographers with understanding of the photographic process. Participant should arrive with working knowledge of their equipment and ready to shoot. The workshop is limited to digital cameras – during the critique and photo editing sessions we will use electronic equipment only. Having your own laptop is required. The workshop will be conducted in English.

Participants agree that photographs taken by them during the workshop may be used in workshopx on-line publications and promotional materials.

6 Travel, personal safety & accommodation

Participants make their own arrangements regarding travel, insurance and accommodation and ensure that they have all the necessary travel documents and relevant visas in order to attend the event. Please check carefully the Georgian visa application process details for your country/nationality to avoid unnecessary refusals. Please apply for tourist visa. The organizer of the workshop doesn't take responsibility for problems with visas and no tuition refund will be made for that reason.

Participants also take full responsibility for their personal security during their journey to and stay in Georgia.
